General Information

BEFORE BEGINNING THE APPLICATION PROCESS, PLEASE REVIEW THE [APPLICATION GUIDELINES](#).

Please complete all sections of this application.

To begin your application, please first complete the Eligibility Information section. If you are not eligible to apply based upon your answers in this section, your application will not be accepted for consideration by CLIR.

To navigate through the application form, click on the tabs on the left-hand side.

You may partially complete your application and return to complete and submit it at a later date by logging back in to the application site. Changes may be made throughout the application period at any time prior to your submission of your application.

A button allowing you to submit your application will appear in the left-hand navigation bar (below the tabs) once all required elements have been completed. You will not be able to submit the application until you have provided all the required information.

Once you have submitted your application, you may view it but can no longer alter it.

If you have questions regarding any part of this application, please refer to the [Mellon Fellowships](#) page on CLIR's website.

References/Certification

An application will not be considered complete until three reference letters have been received.

Please provide information about your references by clicking the "Add New" button below. You will not be able to submit your application until you have provided information for all three references.

- Enter the name, contact information, and affiliation of the person who will submit your reference. Please review this information carefully before clicking the "Add" button, as this will automatically save the information to the system. You will not be able to change this information once the "Add" button has been clicked.
- The reference provider will receive an automatic e-mail from the online application system notifying him/her that you have requested a reference letter.
- The reference provider must follow the instructions in the e-mail to complete the reference letter online. The letter must be submitted to the system by the application deadline.
